GRADUATE QUANTITY SURVEYOR

+254-726066642 • hazandeaustine@gmail.com • linkedin.com/hazandeaustine/in • Nairobi, Kenya

Summary

A graduate Quantity Surveyor with field and course work experience in Taking Off, Bill of Quantities creation, Project Planning and Scheduling, Interim Valuations, Final accounting, Feasibility Study and Appraisal and Tender Evaluation. Skilled in Microsoft Excel, Microsoft Word, Win QS, PlanSwift and Ms Project. Detail oriented with a talent for critical thinking, problem solving, team player and effective communication.

Experience

Nairobi City County **Nairobi, Kenya**

Student Quantity Surveyor Attaché **Jan 2023 - Mar 2023**

- Developed and further reinforced my skills in taking off, rates build up and team coordination with the help of my supervisors and group members.
- Assisted in the development of Bills of Quantities for paint works of City Hall Annexe together with the renovations of HDD Dandora.
- Learnt and performed technical and financial evaluations on submitted tenders by bidders.

Ministry of Transport, Infrastructure, Housing, Urban development and Public Works **Nairobi, Kenya**

Student Quantity Surveyor Attaché **Jan 2022 - Mar 2022**

- Assisted other quantity surveyors in doing payments and take off measurements.
- Conducted site visits together with my supervisors for site inspections after application of certificate of practical completions by the contractors.
- Assisted my supervisors in tender openings committees.
- Attended IQSK short course on Occupational Health and Safety on site and awarded a certificate.

CyberSphere Design Build Ltd **Nairobi, Kenya**

Student Quantity Surveyor Attaché **Jan 2021 - Apr 2021**

- Introduced to the construction industry by the help of my supervisors and managing director.
- Got to learn on team work and importance of good organization and planning.
- Built up rates with the assistance of my supervisors.
- Won a tender on the renovation works for a residential house at Kakuzi PLC.

Strengths

Attention to Detail

Ensured accuracy and precision in all take-off measurements and bill of quantities and market rate quoting leading to successful tender openings and tender winnings respectively.

Responsible Leadership

Efficiently executed leadership responsibilities with any group setting I was involved in and promoted team work which enabled us to become among the best group settings in any project I was involved in.

Education

Jomo Kenyatta University of Agriculture and Technology **Juja, Kiambu**

Bachelor of Quantity Surveying **2019 – 2023**
